Sound Project Overview

| Revision | | | | | | | | |
|--------------------------------------|---|------------------------------------|--|--|--|--|--|--|
| Date issued: | Sent by: Cust | omer's feedback date: | | | | | | |
| 11.06.2012 | email | | | | | | | |
| Customer's feedb | pack (change requests): | | | | | | | |
| Hallo Herr Lindner, | | | | | | | | |
| der Sound kling | t (auf der Hercules-Musterlok mit einem eckigen l | Lautsprecher) sehr rund! | | | | | | |
| Ich nehme an, a | uf eurer Musterlok auch. | | | | | | | |
| Einzige Änderui | ng: Alle Bahnhofsansagen sind zu laut. | | | | | | | |
| Ansonsten ist der Sound freigegeben. | | | | | | | | |
| Mit freundlichen Grüßen | | | | | | | | |
| Thomas Weißl | | | | | | | | |
